AUTOCLAVED AERATED CONCRETE BLOCKS

6th ANNUAL REPORT 2020-21

CHAIRMAN'S LETTER TO SHAREHOLDERS

Dear Shareholders,

It gives me immense pleasure to write to you at the end of another landmark year for Bigbloc Construction Limited.

I am pleased to inform you that your Company has successfully completed financial year 2020-2021 and recorded net revenue from operations ₹ 10277.80 lakhs & Net profit after tax is recorded ₹ 246.92 lakhs against previous year net profit of ₹ 245.90 lakhs.

Let me brief you about the outlook of Real Estate/Infrastructure Sector:

The Indian construction industry is the second largest employer after agriculture, having an industry size of Rs. 10.5 trillion. As per CREDAI, there were 20,000 ongoing construction projects across 18,000 sites before the lockdown in 2020. These involved a workforce of over eight million. Of this, almost 30 percent of the workers left for their native places in the initial days of the lockdown, hence putting a brake on the construction activities that took a while to resume. The supply chain is being disrupted due to government lockdowns, labour shortages are occurring, companies are facing economic recession and having trouble keeping various contracts. All transportations in the country have been disrupted due to lockdown in all parts of the country.

Real estate sector in India is expected to reach US\$ 1 trillion by 2030. By 2025, it will contribute 13% to country's GDP. Emergence of nuclear families, rapid urbanisation and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial, and retail. Rapid urbanisation in the country is pushing the growth of real estate. According to India Ratings and Research (Ind-Ra), the Indian real estate sector may stage a sharp K-shaped recovery in FY22. However, the overall sales in FY22 could still be ~14% below the FY20 levels. The Securities and Exchange Board of India (SEBI) has given its approval for the Real Estate Investment Trust (REIT) platform, which will allow all kind of investors to invest in the Indian real estate market. It would create an opportunity worth Rs. 1.25 trillion (US\$ 19.65 billion) in the Indian market in the coming years. The residential sector is expected to grow significantly, with the central government aiming to build 20 million affordable houses in urban areas across the country by 2022, under the ambitious Pradhan Mantri Awas Yojana (PMAY) scheme of the Union Ministry of Housing and Urban Affairs. Expected growth in the number of housing units in urban areas will increase the demand for commercial and retail office space. An additional 25 million units of affordable housing are required by 2030 to meet the growth in the country's urban population.

The Ministry of Housing and Urban Affairs has recommended all the states to consider reducing stamp duty of property transactions in a bid to push real estate activity, generate more revenue and aid economic growth. The Maharashtra government slashed premiums and levies charged on construction by 50 per cent, a move that is expected to give a boost to the real estate sector in the state. The cut will apply to both ongoing and new projects. This move will go a long way in expediting project completion and the market will witness new launches. The industry applauds this booster dose making many projects viable and we shall adhere to the rules laid down in lieu of availing these benefits. The government will also generate more stamp duty and registration revenue from increased housing sales. This led to jump in property sales in Mumbai and other cities.

Home sales in the Mumbai Metropolitan Region saw growth of 10 per cent year-on-year (YoY) to 30,042 units in the second half (H2) of 2020, propelled by the stamp duty cut Sales picked up from September and grew stronger towards the end of the year. Sales in Q4 jumped 80 per cent YoY, Projects have gathered momentum. Lots of good sales have taken place due to stamp duty cut. The demand is more for completed projects and hence, all builders are looking to complete their ongoing projects as per RERA deadlines or before. A significant reduction in premiums will give a massive boost to developers' execution capacity, and this will result in more projects being developed and completed.

The Government of India has been supportive towards the real estate sector. The growing flow of FDI in Indian real estate is encouraging increased transparency. The Government has also raised FDI (Foreign Direct Investment) limits for townships and settlements development projects to 100%. Real estate projects within Special Economic Zones (SEZ) are also permitted for 100% FDI. Construction is the third-largest sector in terms of FDI inflow. Exports from SEZs reached Rs. 7.96 lakh crore (US\$ 113.0 billion) in FY20 and grew ~13.6% from Rs. 7.1 lakh crore (US\$ 100.3 billion) in FY19. Indian real estate is expected to attract a substantial amount of FDI in the next two years with US\$ 8 billion capital infusion by FY22.

Looking at all the above factors, I am quite sure that the Company's future is very bright. We look forward to continuing along our successful path together with you.

I would like to thank all our consumer, employees, Suppliers who are directly or indirectly associated with the company for their support and commitment, which helped us to reach where we are now.

I would like to thank our shareholders for their trust and encouragement and assure to serve strong, Profitable and Sustainable Growth.

With Warm regards
Mr. Narayan Sitaram Saboo

Clause III(A)(2)

To carry on in India or elsewhere the business of trading and dealing, buy, sell, hold, underwrite, invest, acquire whether by way of direct subscription, market purchase or otherwise of shares, stocks, debentures, debenture stock, bonds, gold bonds, units, warrants, commercial paper, negotiable instruments, T-bills, options, futures, currency, derivatives, money market and capital market securities and securities of any kind and of any description issued or guaranteed by Companies (any public or private companies) or foreign company/ies, by any government, local authorities, public sector undertakings, corporations, trusts, Financial Institutions, Banks or any body corporate, sovereign and any other organizations, entities directly or through its Sub-Brokers in any manner, of whatever nature in India or elsewhere.

RESOLVED FURTHER THAT for the purpose of giving effect to the above, the Board of Directors of the Company be and is hereby authorized to change the serial numbers and sub serial numbers of the clauses of Memorandum of Association and to take such actions they may deemed necessary to give effect to the Resolution.

RESOLVED FURTHER THAT for the purpose of giving effect to the above, the Board of Directors of the Company be and is hereby authorized to take all such actions and do all such deeds, matters and things as it may, in its absolute discretion, deem necessary, desirable or expedient and to resolve and settle all questions and difficulties that may arise, sign all documents and undertakings as may be required and generally to do all such acts, deeds, matters and things in connection therewith and incidental thereto as the Board in its absolute discretion deem fit, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this Resolution."

8. Approve Sub-Division / Split of Equity Shares of the Company

To consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 61(1)(d) and other applicable provisions, if any, of the Companies Act, 2013 and Rules made there under (including any statutory modification(s) or reenactment thereof for the time being in force) read with applicable provisions of SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, and other applicable laws, rules and regulations for the time being in force, if any, prescribed by any relevant authorities from time to time, to the extent applicable, subject to the provisions of the Memorandum and Articles of Association of the Company and subject to such other approvals, permissions and sanctions as may be necessary, approval of the members of the company be and is hereby accorded for sub-division of 1 (One) Equity Share of the Company having Face Value of Rs. 10/- each (Rupees Ten) into 5 (Five) Equity Shares having Face Value of Rs. 2/- (Rupee Two) each.

RESOLVED FURTHER THAT pursuant to the sub-division of Equity Shares of the Company from Face Value Rs. 10/- each (Rupees Ten) to Face Value of Rs. 2/- (Rupees Two), the existing Authorised, Issued, Subscribed and Paid up Equity Share Capital of the company as on record date as may be decided by the Board (which shall include any Committee thereof) shall stand sub-divided as given below:

Particulars	Pre Sub-Division of Equity Shares			Post Sub-Division of Equity Shares		
	No. of Shares	Face Value (in Rs.)	Total Share Capital (in Rs.)	No. of Shares	Face Value (in Rs.)	Total Share Capital (in Rs.)
Authorised Share Capital	1,50,00,000	10/-	15,00,00,000	7,50,00,000	2/-	15,00,00,000
Issued, Subscribed and Paid Up Share Capital	1,41,57,575	10/-	14,15,75,750	7,07,87,875	2/-	14,15,75,750

RESOLVED FURTHER THAT pursuant to the sub-division of the Face Value of Equity Shares as mentioned above, the existing share certificate(s) in relation to the existing issued Equity Shares having Face Value of Rs. 10/- each (Rupee Ten) held in the physical form shall be deemed to have been automatically cancelled with effect from the record date to be fixed by the board, and the board be and is hereby authorized, without requiring to surrender the existing issued share certificate(s) by the members, to issue new share certificate in lieu of the existing share certificate(s), with regard to the sub-divided shares, and in case of Equity Shares held in the dematerialized form, the number of sub-divided Equity Shares be credited to the respective beneficiary accounts of the members with the Depository participants, in lieu of existing credits in their beneficiary accounts representing the equity shares of the company before subdivision.

RESOLVED FURTHER THAT the Board of Directors and/or Company Secretary of the Company be and are hereby authorized to take all such steps as may be required to obtain approvals in relation to above and do all such further acts, deeds or things as may be required to give effect to the sub-division of Equity Shares of the Company.

RESOLVED FURTHER THAT the Board of Directors of the Company and Company Secretary be and are severally authorized to (a) delegate execution and filing of necessary applications, declarations, and other documents with stock exchanges, depositories, Registrar & Transfer agent and/or any other statutory authority(ies), if any; (b) cancel the existing physical share certificates; (c) settle any question or difficulty that may arise with regard to the sub-division of the shares as aforesaid or for any matters connected herewith or incidental thereto and (d) do all such acts, deeds, things, including all the matters incidental thereto in order to implement the foregoing resolution."

9. Approve the alteration in Capital Clause V of the Memorandum of Association of the Company

To consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 13, 61 and other applicable provisions of the Companies Act, 2013 and Rules made thereunder (including any statutory modification(s) or reenactment(s) thereof for the time being in force) and upon sub-division of Equity Shares, consent of the Members of the Company be and is hereby accorded to alter and substitute the existing Clause V of Memorandum of Associations of the Company with the following new Clause V as under:

"The Authorised Share Capital of the Company is Rs. 15,00,00,000 (Rupees Fifteen Crores) divided into 7,50,00,000 (Seven Crores Fifty lakhs) Equity Shares of Rs. 2/- (Rupees Two) each."

RESOLVED FURTHER THAT the Board of Directors and/or Company Secretary of the Company be and are hereby authorized to do all such acts, deeds, matters and things as may be considered necessary, proper or desirable for the purpose of giving effect to this resolution."

16. Members may note that the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after 1st April, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit the following documents in accordance with the provisions of the IT Act.

17. **FOR RESIDENT SHAREHOLDERS**, taxes shall be deducted at source under Section 194 of the IT Act as follows-

Members having valid PAN	10% or as notified by the Government of India
Members not having PAN / valid PAN	20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during Financial Year 2020-21 does not exceed Rs. 5,000 and also in cases where members provide Form 15G/Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower/Nil withholding tax. Registered members may also submit any other document as prescribed under the IT Act to claim a lower/Nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as mentioned above.

18. **FOR NON-RESIDENT SHAREHOLDERS**, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian Income Tax authorities duly attested by the member
- Copy of Tax Residency Certificate (TRC) for the financial year obtained from the revenue authorities of the country of tax residence, duly attested by member
- Self-declaration in Form 10F
- Self-declaration by the shareholder of having no permanent establishment in India in accordance with the applicable tax treaty
- Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by member

- Mr. Naresh Sitaram Saboo will be subject to all other service conditions as applicable to any other employee of the Company.

8. A brief profile of Managing Director to be reappointed, including nature of their expertise and other disclosure as required under SEBI Listing Regulation (SEBI LODR), 2015 is provided at Annexure A of this Notice.

The terms and conditions of reappointment of the above Director shall be open for inspection by the Members at the Registered Office of the Company.

Your Directors recommend Resolution at Item No. 4 as a Special Resolution for approval of the members.

Except Mr. Naresh Sitaram Saboo and their relatives being an appointee, none of the Directors and/or any Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the accompanying Notice of the AGM.

This Explanatory Statement together with the accompanying Notice may also be regarded as a disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings (SS-2) of ICSI.

ITEM NO. 5: RE-APPOINTMENT OF MR. DISHANT KAUSHIKBHAI JARIWALA (DIN: 07482806) FOR A SECOND TERM AS AN INDEPENDENT DIRECTOR OF THE COMPANY

On recommendations of the Nomination and Remuneration Committee, based on qualifications, experience and contribution of Mr. Dishant Kaushikbhai Jariwala, The Board of Directors at their meeting held on 2nd June, 2021, has considered and approved, the re-appointment of Mr. Dishant Kaushikbhai Jariwala (DIN: 07482806) as an Independent Director (Category - Non-Executive - Independent Director) of the Company to hold office w.e.f. 11/04/2021 to 30/09/2025.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of the Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of the Company.

The Nomination and Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation of Independent Director, has recommended re-appointment of Mr. Dishant Kaushikbhai Jariwala (DIN: 07482806), who is eligible for re-appointment as an Independent Director.

A brief profile of independent Director to be reappointed, including nature of their expertise and other disclosure as required under SEBI Listing Regulation (SEBI LODR), 2015 or clause 49 of listing agreement, is provided at Annexure A of this Notice. The terms and conditions of reappointment of the above Director shall be open for inspection by the Members at the Registered Office of the Company.

Your Directors recommend Resolution at Item No. 5 as a Special Resolution for approval of the members.

Mr. Dishant Kaushikbhai Jariwala (DIN: 07482806), may be deemed to be interested in the Resolution set out at Item No. 5 of the Notice with regard to his re-appointment as a Director (Category - Non-executive, Independent Director) of the Company.

Except Mr. Dishant Kaushikbhai Jariwala (DIN: 07482806), for himself, being the appointee, none of the other Director/s, Key Managerial Personnel of the Company, and their relatives, are, in any way, concerned or interested, financially or otherwise, in the said Resolution.

The Board of Directors of the Company recommends the Special Resolution for approval of the Shareholders (Members) in the interest of the Company.

ITEM NO. 6: INCREASE IN BORROWING POWER OF THE COMPANY UNDER SECTION 180(1)(C) OF THE COMPANIES ACT, 2013

According to Companies (Amendments) Act, 2017 and Section 180(1)(c) of the Companies Act, 2013 requires that the Board of Directors shall not borrow money in excess of the Company's paid-up share capital, free reserves and securities premium apart from temporary loans obtained from the Company's Bankers, etc. in the ordinary course or business, except with the approval of the members of the Company by a Special Resolution.

The Company borrows funds from the Banks and Financial Institutions for its business and considering the growth of the business, the Board is of the opinion that the Company may require to borrow additional funds for growth of Business. In view of the requirements of the increased borrowings and to comply with the requirements of Section 180(1)(c) or other applicable provisions of the Companies Act, 2013. The members of the Company shall pass a Special Resolution to enable the Board of Directors to borrow in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company. Approval of the members is being sought to borrow the money up to Rs. 120 Crore (Rupees One Hundred and Twenty Crores Only) in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

As per the Companies Act, 2013, the Companies (Amendments) Act, 2017 and rules made thereunder, the Company require to seek the approval of the members to enable the Board of Directors of the company to borrow money in excess of the Company's paid-up share capital, free reserves and securities premium.

None of the Directors are in any way concerned or interested, financially or otherwise in this resolution.

ITEM NO. 7: TO APPROVE ALTERATION OF MAIN OBJECT CLAUSE OF THE MEMORANDUM OF ASSOCIATION OF THE COMPANY

The principal business of the Company is to carry on the business as manufacturers, processors, purchasers, sellers, buyers, importers, exporters and to deal in building blocks, slabs, Aerated Autoclaved Concrete (AAC) Bricks. The Company and management proposes to insert a new object clause to the existing main object clause of the Memorandum of Association of the Company in view of the expansion and diversification of its business activities.

The Board of Directors at their meeting held on 29th July, 2021, has considered and approved the insertion of Clause III(A)(2) in Memorandum of Association after existing Clause III(A)(1).

Therefore, the approval of the Members is being sought by way of a special resolution in terms of section 13 and other applicable provisions of the Act, if any, read with the rules made there under, to enable the Company to alter the main object of the Memorandum of Association of the Company by inserting Clause III(A)(2) after existing Clause III(A)(1) of the Memorandum of Association.

The Board accordingly recommends the special resolution set out at Item No. 7 of the accompanying notice for approval of the Members.

None of the Directors and/or Key Managerial Personnel of the Company and / or their relatives is deemed to be concerned or interested, financial or otherwise in the said resolution except to the extent of their shareholding, if any, in the Company or any of their interest as Director or Shareholder or otherwise mentioned herein above, in the Company.

ITEM NO. 8 & 9:

Presently the Authorized Share Capital of the Company is Rs. 15,00,00,000 (Rupees Fifteen Crores) divided into 1,50,00,000 (One Crore and Fifty Lakh) Equity Shares of Rs. 10/- (Rupees Ten) each and its Paid up Share Capital is Rs. 14,15,75,750 (Rupees Fourteen Crore Fifteen Lakhs Seventy Five Thousand Seven Fifty) divided into 1,41,57,575 (One Crore Forty One Lakh Fifty Seven Thousand Five Seventy Five) Equity Shares of Rs. 10/- each.

The Market price of the Company's Equity Shares has increased significantly during the last few years. In order to improve the liquidity of the Company's Equity Shares and to make these equity shares more affordable/accessible for the small retail investors to invest in the Company's shares, the Board of Directors ("hereinafter referred as Board") at its meeting held on 12th August, 2021, recommended the Sub-Division of 1 (One) Equity Share having a Face Value of Rs. 10/- (Rupees Ten) into 5 (Five) Equity Shares having Face Value of Rs. 2/- (Rupees Two) each, for the approval of Shareholders.

Further the Article of Association permits sub-division of shares subject to the approval of members. The Record Date for the aforesaid Sub-Division of Equity Shares will be fixed by the Board of Directors of the Company after obtaining approval of members.

Pursuant to the aforesaid sub-division of Equity Shares and as per Section 13, 14 & 61 of the Companies Act, 2013 and the rules made thereunder, it is required to alter the existing Capital Clause V of the Memorandum of Association of the Company.

Accordingly, your Directors recommend the passing of Ordinary Resolution set out at Item no. 8 and Item no. 9 of the Notice for approval of Shareholders in the interest of the company.

None of the Directors, Key Managerial Personnel or their relatives are in any way concerned or interested in the above resolution, except to the extent of equity shares held by them in the Company.

2. REAL ESTATE AND CONSTRUCTION INDUSTRIES AND COVID-19 PANDEMIC:

COVID-19 led to a complete breakdown of economy, livelihood and healthcare in Financial Year 2020-21. During the year, challenges such as sharp rise in prices of raw materials, local restrictions of movement of people, continuous challenges in Real Estate sector and various other reasons have played its role and impact on the business.

As per CREDAI, there were 20,000 ongoing construction projects across 18,000 sites before the lockdown in 2020. These involved a workforce of over eight million. Of this, almost 30 percent of the workers left for their native places in the initial days of the lockdown, hence putting a brake on the construction activities that took a while to resume. Construction and engineering projects around the world have been jeopardized in various way by the COVID-19 pandemic and many projects have closed. The supply chain is being disrupted due to government lockdowns, labor shortages are occurring, companies are facing economic recession and having trouble keeping various contracts. The various materials that come from different factories in the country or abroad through different vehicles for construction work, those things cannot come. All transportations in the country have been disrupted due to lockdown in all parts of the country. For the construction sector, which was already under stress before the pandemic due to financial constraints and dwindling output, the second wave of COVID-19 and the resultant migration has indeed come as a harsh blow.

The Ministry of Housing and Urban Affairs has recommended all the states to consider reducing stamp duty of property transactions in a bid to push real estate activity, generate more revenue and aid economic growth. The Maharashtra government slashed premiums and levies charged on construction by 50 per cent, a move that is expected to give a boost to the real estate sector in the state. The cut will apply to both ongoing and new projects. This move will go a long way in expediting project completion and the market will witness new launches. The industry applauds this booster dose making many projects viable and we shall adhere to the rules laid down in lieu of availing these benefits. A significant reduction in these premiums will give a massive boost to developers' execution capacity, and this will result in more projects being developed and completed.

The government will also generate more stamp duty and registration revenue from increased housing sales. The state government had in September lowered stamp duty from 5 per cent to 2 per cent till December 31, 2020. From January till March, a duty of 3 per cent will be charged. This led to jump in property sales in Mumbai and other cities. Home sales in the Mumbai Metropolitan Region saw growth of 10 per cent year-on-year (YoY) to 30,042 units in the second half (H2) of 2020, propelled by the stamp duty cut. Sales picked up from September and grew stronger towards the end of the year. Sales in Q4 jumped 80 per cent YoY. Projects have gathered momentum. Lots of good sales have taken place due to stamp duty cut. The demand is more for completed projects and hence, all builders are looking to complete their ongoing projects as per RERA deadlines or before. A significant reduction in premiums will give a massive boost to developers' execution capacity, and this will result in more projects being developed and completed.

24. STATUTORY AUDITORS:

Pursuant to the provisions of Section 139 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) re-enactment(s)/amendment(s) thereof, for the time being in force), M/s. RKM & Co., Chartered Accountants (Firm Registration No. 108553W) re-appointed as the Statutory Auditors of the Company to hold office for their second term from the conclusion the 5th Annual General Meeting till the conclusion of 10th Annual General Meeting to be held in the year 2025, subject to the ratification by members at every Annual General Meeting to be held after 5th Annual General Meeting on such remuneration and terms and conditions as may be mutually agreed upon by the Board of Directors and the Statutory Auditors subject to their eligibility under Section 141 of the Companies Act, 2013.

AUDITORS' REPORT:

Members' attention is invited to the observation made by the Auditors under "Qualified Opinion" appearing in Auditors Reports. **The company has not provided for Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans is in deviation with Ind AS – 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post-Employment Benefits and other long term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS – 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.**

"The Board is of the opinion that the Provision for the Long term Employees are determined on the basis of actuarial Valuation Method & technique prescribed in the Accounting Standard. The Consulting fees by actuaries for determining the Provision for long term benefit Plan is even higher than the Annual Liability of the company for Long term benefits. The company has decided to pay the Long term benefits as and when it becomes due as the amount is negligible and it is not going to make any impact on the financial Position of the company. Considering the size of the company and negligible liability, the company has not made provisions for Long term employee benefits & Defined benefits plan"

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL ECONOMY

In early 2020, the Global Economy faced one of the biggest crises caused by the Covid-19 pandemic, which presented enormous challenges to the health systems and spurred widespread shutdowns, business closures and job losses. Nearly all countries faced an unprecedented economic downturn raising concerns of a slide to one of the deepest recessions since World War II. Globally, nations impacted by the pandemic implemented strict restrictions on transport and public movement, along with hygiene regulations and social distancing norms. Majority of the countries took crucial steps to minimize the impact of the Covid-19 pandemic on healthcare and the economy, protect susceptible population, and pave the path for recovery. Although the road to normalisation is still long and weary, the year has passed by with most countries experiencing basic level of recovery, which will contribute to a moderate growth of around 3.8% in Financial Year 2022. The expected recovery in Financial Year 2022 and beyond will depend heavily on the evolution of the pandemic, which will in turn be influenced by the possibility of a widespread effective vaccination.

In advanced economies, precautionary social distancing and stringent lockdowns in response to surging Covid-19 cases, triggered an unprecedented collapse in the demand and supply of services in mid-2020. After tightening early last year, global financial conditions have eased considerably. About 40% of the fiscal support from governments in Emerging Markets & Developing Economies (EMDEs) constitutes liquidity support measures such as loans, equity injections, and guarantees. Some governments have also encouraged banks to make use of available capital and liquidity buffers to support lending. EMDE growth is projected to pick up to 5% in Financial Year 2022 and moderate to 4.2% in 2023, near its potential pace. Ambitious policy reforms to support investment, improve education and raise labour force participation could reverse much of the adverse impact of the pandemic on potential growth prospects over the next decade. Institutional reforms could strengthen investment and output growth prospects, as they have done in the past.

INDIAN ECONOMY

In India, the Covid-19 pandemic has hit the economy at a time when growth was already decelerating. Output is estimated to have fallen by 9.6% in Financial Year 2020-21, reflecting a fall in household spending and private investment. Services sector – mainly in urban areas such as retail – was severely affected and contracting for most of 2020, paralysing consumption and resulting in significant unemployment. Fiscal policy has provided some support but more may be needed. Monetary policy actions have brought decline in real interest rates. The informal sector, which accounts for four-fifths of employment was also impacted and experienced major income losses. India is projected to post a current account surplus in Financial Year 2020-21, mainly driven by weak domestic demand, after almost two decades of deficits. Equity markets have regained all losses suffered during the first half of 2020 and foreign exchange rates are only slightly weaker than pre-pandemic valuations. With the economy brought to a standstill for two complete months, the inevitable effect was 23.9% contraction in GDP as compared to previous year's quarter. This contraction was consistent with the stringency of the lockdown.

OUTLOOK

India is expected to emerge as the fastest growing economy in the next two years with a projected GDP of USD 5 trillion by Financial Year 2025 and could become the third largest consumer economy as its consumption may triple to USD 4 trillion by 2025, owing to changing consumer behaviour and expenditure habits. It is expected to be the second largest economy surpassing the USA in terms of purchasing power parity (PPP) by 2040. Government has put forth emphasis on self-regulation, self-attesting and self-certification and plans to reduce more than 6,000 central & state level compliances this year to minimise their burden on companies, especially Micro, Small & Medium Enterprises (MSMEs). The government wishes to increase efficiency of the Indian companies and boost efforts to make manufacturing in India globally competitive.

GROSS DOMESTIC PRODUCT (GDP)

India's real GDP to record a growth of 11 per cent in 2021-22 and nominal GDP by 15.4 per cent the highest since independence. The V-shaped economic recovery is supported by the initiation of a mega vaccination drive with hopes of a robust recovery in the services sector and prospects for robust growth in consumption and investment. The fundamentals of the economy remain strong as gradual scaling back of lockdowns along with the astute support of "Atmanirbhar Bharat Mission" have placed the economy firmly on the path of revival. This path would entail a growth in real GDP by 2.4 percent over the absolute level of 2019-20 implying that the economy would take two years to reach and go past the pre-pandemic level. These projections are in line with IMF estimate of real GDP growth of 11.5 per cent in 2021-22 for India and 6.8 percent in 2022-23. India is expected to emerge as the fastest growing economy in the next two years as per IMF.

India's mature policy response to this "once-in-a-century" crisis provides important lessons for democracies to avoid myopic policymaking and demonstrates the significant benefits of focusing on long-term gains. India adopted a unique four-pillar strategy of containment, fiscal, financial, and long-term structural reforms. Calibrated fiscal and monetary support was provided given the evolving economic situation, cushioning the vulnerable in the lockdown and boosting consumption and investment while unlocking, mindful of fiscal repercussions and entailing debt sustainability. A favorable monetary policy ensured abundant liquidity and immediate relief to debtors via temporary moratoria, while unclogging monetary policy transmission.

THE IMPACT ON REAL ESTATE AND CONSTRUCTION INDUSTRIES

The Indian construction industry is the second largest employer after agriculture, having an industry size of Rs. 10.5 trillion. As per CREDAI, there were 20,000 ongoing construction projects across 18,000 sites before the lockdown in 2020. These involved a workforce of over eight million. Of this, almost 30 percent of the workers left for their native places in the initial days of the lockdown, hence putting a brake on the construction activities that took a while to resume. The supply chain is being disrupted due to government lockdowns, labor shortages are occurring, companies are facing economic recession and having trouble keeping various contracts. All transportations in the country have been disrupted due to lockdown in all parts of the country.

CONTRACTUAL IMPLICATION PROBLEMS

It is mainly based on a clause called 'Force majeure'. There are many rules mentioned in this clause, 'Large Scale Epidemic' is one of them. COVID-19 pandemic falls within this category. Different contractors put their different tools in different places for use in different machinery construction sector but as a result of this lockdown, all these equipments have been lying there for a long time.

The companies have a contract with the contractors to work with all these equipments on the basis of some money and if the 'Force Majeure' Clause is mentioned in the contract then no compensation will be paid to the contractor by the agency due to delay.

SECOND WAVE OF COVID-19: IMPACT ON THE CONSTRUCTION INDUSTRY

Construction is one such industry that has been facing the massive brunt of the pandemic as projects have been jeopardised in various ways, more so due to the mass exodus of migrant workers. The fear of complete lockdown has sparked another wave of reverse migration of workers who are willing to return to their native places from cities that have reported a sharp increase in cases. For the construction sector, which was already under stress before the pandemic due to financial constraints and dwindling output, the second wave of COVID-19 and the resultant migration has indeed come as a harsh blow.

THE SITUATION OF REVERSE MIGRATION

In Maharashtra, stringent daytime restrictions and weekend lockdown have left migrants in a semi-panic state, especially in Mumbai Metropolitan Region (MMR). Resultantly, the majority of workers are planning to go back home within six months of their return. States like Andhra Pradesh and Hyderabad, too, have a similar story to narrate. Delhi NCR, is also likely to see the same situation as the Government announced a week-long curfew.

MEASURES TAKEN BY THE DEVELOPERS

Given the current scenario, the developers these days are taking adequate measures to retain their workforce. These include frequent sanitisations, vaccine awareness, health check-ups and the provision of shelter and food. Also, as per the government guidelines, also providing paid leaves to the eligible workers for vaccination.

CONSTRUCTION ACTIVITIES CAME TO A HALT

The COVID-19 crisis badly impacted the business environment. The nationwide lockdown announced in March 2020 halted the construction activities of several residential projects (many already delayed). The fear of getting infected and the sudden loss of job left little to no motivation for the construction workers to stay put at sites. According to an industry estimate, more than thirty percent of the construction workers left for their native places in the first month of the lockdown itself. Meanwhile, the developer community faced the brunt of mass exodus initiated by the Coronavirus crisis. Leaving construction workers halted or slowed down the pace of construction, and the impact was massively seen on the profit margins of the companies eventually. Reports by rating agency India Ratings, at that time, estimated that the nationwide lockdown (though necessary) to contain COVID-19 spread, would adversely impact the construction companies and a month's lockdown would erode approximately 8-10 percent of the fourth-quarter revenue. It's predicted that the construction activities in major cities, such as Bangalore, Delhi, Mumbai and Pune, would be greatly hit. However, the industry remained hopeful of tiding over the challenge.

GOVERNMENT LIFTED CONSTRUCTION BAN

Around April 2020, the Indian Government declared an extension on the COVID-19 lockdown, and formulated a set of guidelines for resuming construction of shelved developments and commencing new construction activities. Construction work kick-started in a limited manner and the groundwork for full-scale resumption post the lifting of the lockdown was established. Revised guidelines for 'Lockdown 2.0' from the home ministry spelled out that fresh construction work could be carried out for the building of roads, renewable energy and irrigation-related activity, and industrial projects outside municipal areas post April 2020. The final authority to allow these constructions, however, rested with the respective district administrations or local authorities. There were several other measures announced by the State governments. For instance, Tamil Nadu released a Standard Operating Procedure (SOP) for restarting the construction activities. As per the SOPs, the construction sites needed to have thermal scanners at the entry and exit gates, the premises needed to be disinfected twice a day, and the company management had to ensure a regular visit of doctors.

GOVERNMENT INITIATIVES:

Government of India along with the governments of respective States has taken several initiatives to encourage development in the sector. The Smart City Project, with a plan to build 100 smart cities, is a prime opportunity for real estate companies. Below are some of the other major Government initiatives:

- Under Union Budget 2021-22, tax deduction up to Rs. 1.5 lakh (US\$ 2069.89) on interest on housing loan, and tax holiday for affordable housing projects have been extended until the end of fiscal 2021-22.
- The Atmanirbhar Bharat 3.0 package announced by Finance Minister Mrs. Nirmala Sitharaman in November 2020 included income tax relief measures for real estate developers and homebuyers for primary purchase/sale of residential units of value (up to Rs. 2 crore (US\$ 271,450.60) from November 12, 2020 to June 30, 2021).
- In October 2020, the Ministry of Housing and Urban Affairs (MoHUA) launched an affordable rental housing complex portal.
- On October 27, 2020, the government announced the application of Real Estate (Regulation & Development) Act, 2016 in the union territory of Jammu & Kashmir. This has paved the way for any Indian citizen to buy non-agricultural land and property, as opposed to the eligibility of only local residents earlier.
- In order to revive around 1,600 stalled housing projects across top cities in the country, the Union Cabinet has approved the setting up of Rs. 25,000 crore (US\$ 3.58 billion) alternative investment fund (AIF).
- Government has created an Affordable Housing Fund (AHF) in the National Housing Bank (NHB) with an initial corpus of Rs. 10,000 crore (US\$ 1.43 billion) using priority sector lending short fall of banks/financial institutions for micro financing of the HFCs.
- As of January 31, 2021, India formally approved 425 SEZs, of which 265 were already operational. Most special economic zones (SEZs) are in the IT/ BPM sector.
- In Union Budget 2021-22, the Government of India extended benefits, under Section 80-IBA of the Income Tax Act, until March 31, 2021, to promote affordable rental housing in India.
- As per the Union Budget 2021-22, the government outlaid Rs. 1,18,101 crore (US\$ 16.22 billion) for the Ministry of Road Transport and Highways.

- As per the Union Budget 2021-22, National Infrastructure Pipeline (NIP) expanded to 7,400 projects from 6,835 projects.
- The Union Budget allocated Rs. 13,750 crore (US\$ 1.88 billion) and Rs. 12,294 crore (US\$ 1.68 billion) for Urban Rejuvenation Mission: AMRUT and Smart Cities Mission and Swachh Bharat Mission, respectively and Rs. 27,500 crore (US\$ 3.77 billion) has been allotted under Pradhan Mantri Awas Yojana.

GLOBAL AUTOCLAVED AERATED CONCRETE (AAC) MARKET SIZE, STATUS AND MARKET INSIGHTS, FORECAST PERIOD OF 2021 TO 2025

The global Autoclaved Aerated Concrete (AAC) market size is expected to gain market growth in the forecast period of 2021 to 2025, with a CAGR of 9.1% in the forecast period of 2021 to 2025 and will expected to reach USD 12110 million by 2025, from USD 8550 million.

INDIAN REAL ESTATE INDUSTRY AND EXPECTATIONS OF FUTURE

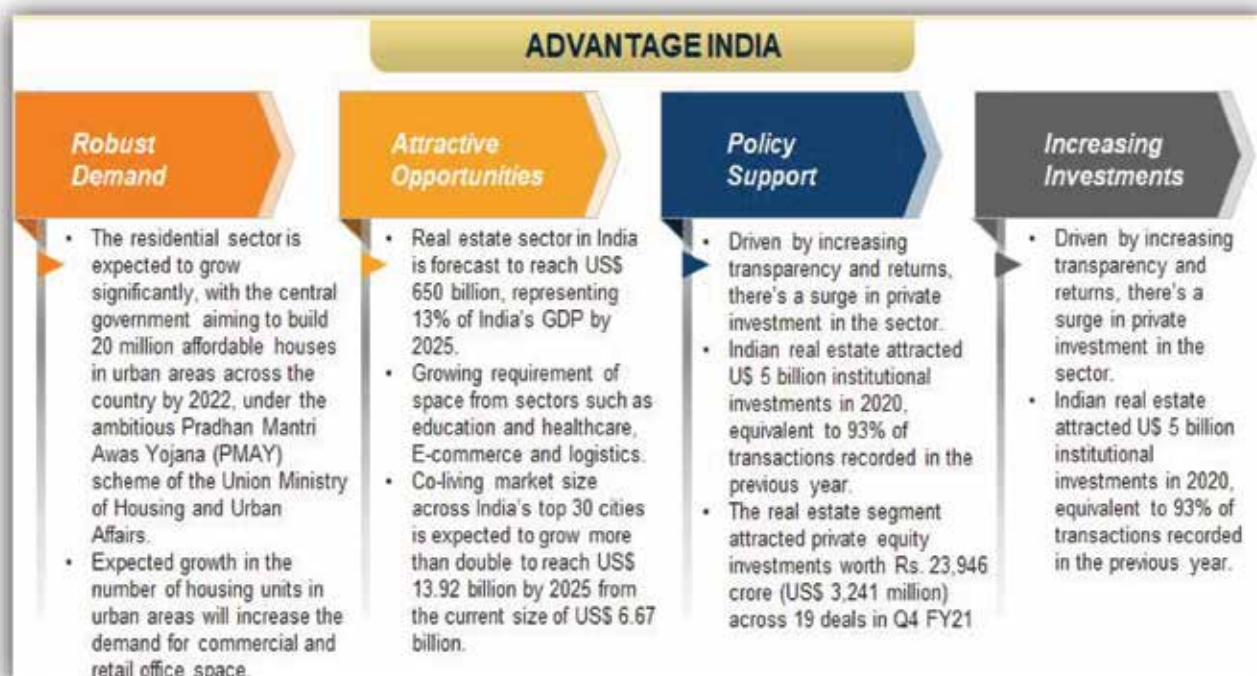

- Real estate sector in India is expected to reach US\$ 1 trillion by 2030. By 2025, it will contribute 13% to country's GDP.
- Emergence of nuclear families, rapid urbanisation and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial, and retail.
- Rapid urbanisation in the country is pushing the growth of real estate. >70-75% of India's GDP will be contributed by urban areas by 2021. According to India Ratings and Research (Ind-Ra), the Indian real estate sector may stage a sharp K-shaped recovery in FY22. However, the overall sales in FY22 could still be ~14% below the FY20 levels.
- The Securities and Exchange Board of India (SEBI) has given its approval for the Real Estate Investment Trust (REIT) platform, which will allow all kind of investors to invest in the Indian real estate market. It would create an opportunity worth Rs. 1.25 trillion (US\$ 19.65 billion) in the Indian market in the coming years.
- The residential sector is expected to grow significantly, with the central government aiming to build 20 million affordable houses in urban areas across the country by 2022, under the ambitious Pradhan Mantri Awas Yojana (PMAY) scheme of the Union Ministry of Housing and Urban Affairs. Expected growth in the number of housing units in urban areas will increase the demand for commercial and retail office space. An additional 25 million units of affordable housing are required by 2030 to meet the growth in the country's urban population. The growing flow of FDI in Indian real estate is encouraging increased transparency.
- Government has also released draft guidelines for investment by Real Estate Investment Trusts (REITs) in non-residential segment.
- The Ministry of Housing and Urban Affairs has recommended all the states to consider reducing stamp duty of property transactions in a bid to push real estate activity, generate more revenue and aid economic growth.

The Ministry of Housing and Urban Affairs has recommended all the states to consider reducing stamp duty of property transactions in a bid to push real estate activity, generate more revenue and aid economic growth. The Maharashtra government slashed premiums and levies charged on construction by 50 per cent, a move that is expected to give a boost to the real estate sector in the state. The cut will apply to both ongoing and new projects. This move will go a long way in expediting project completion and the market will witness new launches. The industry applauds this booster dose making many projects viable and we shall adhere to the rules laid down in lieu of availing these benefits.

The government will also generate more stamp duty and registration revenue from increased housing sales. The state government had in September lowered stamp duty from 5 per cent to 2 per cent till December 31, 2020. From January till March, a duty of 3 per cent will be charged. This led to jump in property sales in Mumbai and other cities. Home sales in the Mumbai Metropolitan Region saw growth of 10 per cent year-on-year (YoY) to 30,042 units in the second half (H2) of 2020, propelled by the stamp duty cut Sales picked up from September and grew stronger towards the end of the year. Sales in Q4 jumped 80 per cent YoY, Projects have gathered momentum. Lots of good sales have taken place due to stamp duty cut. The demand is more for completed projects and hence, all builders are looking to complete their ongoing projects as per RERA deadlines or before. A significant reduction in premiums will give a massive boost to developers' execution capacity, and this will result in more projects being developed and completed.

FDI (FOREIGN DIRECT INVESTMENT)

- The Government of India has been supportive towards the real estate sector.
- The Government has also raised FDI (Foreign Direct Investment) limits for townships and settlements development projects to 100%. Real estate projects within Special Economic Zones (SEZ) are also permitted for 100% FDI.
- Construction is the third-largest sector in terms of FDI inflow.
- FDI in the sector (including construction development and construction activities) stood at US\$ 42.97 billion between April 2000 and September 2020.
- Exports from SEZs reached Rs. 7.96 lakh crore (US\$ 113.0 billion) in FY20 and grew ~13.6% from Rs. 7.1 lakh crore (US\$ 100.3 billion) in FY19. Indian real estate is expected to attract a substantial amount of FDI in the next two years with US\$ 8 billion capital infusion by FY22.

Real estate sector is one of the most globally recognized sectors. It comprises of four sub sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth in the corporate environment and the demand for office space as well as urban and semi-urban accommodations. It is also expected that this sector will incur more non-resident Indian (NRI) investment, both in the short term and the long term.

MARKET SIZE

- By 2040, real estate market will grow to Rs. 65,000 crore (US\$ 9.30 billion) from Rs. 12,000 crore (US\$ 1.72 billion) in 2019.
- Real estate sector in India is expected to reach a market size of US\$ 1 trillion by 2030 from US\$ 120 billion in 2017 and contribute 13% to the country's GDP by 2025.
- Retail, hospitality, and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs.
- The office market in top eight cities recorded transactions of 22.2 msf from July 2020 to December 2020, whereas new completions were recorded at 17.2 msf in the same period.
- In 2020, the manufacturing sector accounted for 24% of office space leasing at 5.7 million square feet. Retail real estate and warehousing segment attracted private equity (PE) investments of US\$ 220 million and US\$ 971 million, respectively, in 2020.
- Housing launches were 86,139 units across the top eight Indian cities in the second half of 2020. Home sales volume across eight major cities in India jumped by 2x to 61,593 units from October 2020 to December 2020, compared with 33,403 units in the previous quarter, signifying healthy recovery post the strict lockdown imposed in the second quarter due to the spread of COVID-19 in the country.
- According to the Economic Times Housing Finance Summit, about 3 houses are built per 1,000 people per year compared with the required construction rate of five houses per 1,000 population. The current shortage of housing in urban areas is estimated to be ~10 million units. An additional 25 million units of affordable housing are required by 2030 to meet the growth in the country's urban population.

INVESTMENTS/DEVELOPMENTS

Indian real estate sector has witnessed high growth in the recent times with rise in demand for office as well as residential spaces. Indian real estate attracted US\$ 5 billion institutional investments in 2020, equivalent to 93% of transactions recorded in the previous year. Investments from private equity (PE) players and VC funds reached US\$ 4.06 billion in 2020. The real estate segment attracted private equity investments worth Rs. 23,946 crore (US\$ 3,241 million) across 19 deals in Q4 FY21. Investments in the sector grew 16x compared with Rs. 1,470 crore (US\$ 199 million) in Q4 FY20. In value terms, these investments were 80% of that in 2020 and 48% of 2019. Exports from SEZs reached Rs. 7.96 lakh crore (US\$ 113.0 billion) in FY20 and grew ~13.6% from Rs. 7.1 lakh crore (US\$ 100.3 billion) in FY19.

According to the data released by Department for Promotion of Industry and Internal Trade Policy (DPIIT), construction is the third-largest sector in terms of FDI inflow. FDI in the sector (including construction development and construction activities) stood at US\$ 42.97 billion between April 2000 and September 2020.

Some of the major investments and developments in this sector are as follows:

- According to Anarock, housing sales in seven cities increased by 29% and new launches by 51% in Q4 FY21 over Q4 FY20.

- Demand for residential real estate revived in Q4 FY21 as homebuyers took advantage of low mortgage rates and incentives rendered by developers. Residential sales in this quarter recovered to >90% volumes recorded in 2020 across the top seven cities.
- Blackstone is one of the largest private market investors in India, managing about Rs. 3,694 crore (US\$ 50 billion) of market value in the real estate sector. The company anticipates investing >Rs. 1,625 crore (US\$ 22 billion) in the next 10 years.
- In 2021, working remotely is being adopted at a fast pace and demand for affordable houses with ticket size below Rs. 40-50 lakh is expected to rise in Tier 2 and 3 cities, leading to an increase in prices in those geographies.
- In April 2021, HDFC Capital Advisors (HDFC Capital) partnered with Cerberus Capital Management (Cerberus) to create a platform that will focus on high-yield opportunities in the residential real estate sector in India. The platform seeks to purchase inventory and provide last-mile funding for under construction residential projects across the country.
- In March 2021, Godrej Properties announced it would launch 10 new real estate projects in Q4.
- In March 2021, Godrej Properties increased its equity stake in Godrej Realty from 51% to 100% by acquiring equity shares from HDFC Venture Trustee Company.
- In January 2021, SOBHA Limited's wholly owned subsidiary, Sabha Highrise Ventures Pvt. Ltd. acquired 100% share in Annalakshmi Land Developers Pvt. Ltd.
- In November 2020, Accor, a leading hospitality group, to launch seven new properties in India by 2022.
- In November 2020, Prestige Estates Projects Ltd. sold a large portfolio of office, retail and hotel properties to Blackstone for Rs. 12,745 crore (US\$ 1.7 billion).
- In November 2020, Taj Group partnered with real estate company Ambuja Neotia Group to launch three new hotels - two in Kolkata and one in Patna.
- The Godrej Group has forayed into the financial services industry with Godrej Housing Finance (GHF) through which it hopes to build a long-term and sustainable retail financial services business in India, aiming for a balance sheet of Rs. 10,000 crore (US\$ 1.35 billion) in the next three years.

CONVERSION IS HAPPENING FROM BRICKS INDUSTRY TO BLOCKS INDUSTRY

A few years back it would have been the brick only era for constructions. All larger buildings relied upon the traditional red brick until construction industry decided to change things to suit the requirements and ease of access to turn towards AAC blocks. People wanted sustainability and durability, and since people started being more sensitive and aware towards environment protection, blocks came just in time. Few years back the National Green Tribunal issued a ban against digging of earth for making red bricks without prior environment clearance (EC). The brick-kiln industry faced a major blow, but soon enough the Fly Ash Bricks or AAC Blocks industry got a kick start as people found it easy to set up plants for them and the ease of building them is also relatively tempting.

Blocks masonry are quite cheaper compared to their brick counterpart. They are known to cost Rs. 1,500 lesser than brick masonry for per cubic meter. Reports suggest that the cost of building walls from AAC blocks come out to be 17.65 per cent lesser than the cost of wall made from traditional bricks. With lesser cost of constructing these blocks, they are also easier to make which reduces the cost even more if built at site.

Bricks production and supply was more affected in COVID situation. Also, Transport is a bigger cost in bricks as compared to blocks and due to continuous increase in diesel prices, transport cost will go up faster in bricks and that taking bricks prices much higher than blocks and hence shifting of Industry from brick to blocks happened quickly.

❖ ENVIRONMENT HEALTH AND SAFETY:

CARBON FOOTPRINT

Carbon credit has emerged as on the newest and promising parameter for quantifying the pollution. Fly ash is a large magnitude waste material generated by thermal power plants. Its magnitude is gigantic and pollution effects are multiple. However, its use in concrete has emerged up as a successful method of reuse and ultimate disposal. It enhances the concrete properties. Moreover it earns carbon credits too.

Bigbloc Construction Limited generates maximum Carbon credits due to proper planned use of Fly ash in manufacturing Blocks:

- It is the only Company to Consistently generate more than 50,000 Tons of Carbon Credits per annum;
- The Factory setup is designed in a way that there is no discharge of hazardous materials to the ground;
- The unused debris are collected and effectively recycled;
- Adequate facilities and safety gears are provided to the employees;
- Emergency Medical assistance and evacuation policies are practiced through appropriate live drills;
- There is no incidence reported at the plant since last 8 years due to proper training and procedures undertaken;

THE RESERVE BANK OF INDIA (RBI) ANNOUNCED THE RESOLUTION FRAMEWORK (RF) 2.0

Last year, the RBI announced a loan moratorium of up to 2 years for borrowers to tide over exigencies caused by the nationwide lockdown due to the pandemic. There are many individual borrowers who did not opt for this loan moratorium and are now facing difficulties in repaying their loans. The Reserve Bank of India (RBI) announced the Resolution Framework (RF) 2.0, on the lines of measures announced last year, to help individual borrowers and MSMEs hit financially by the Covid-19 pandemic. The Reserve Bank of India (RBI) announced the Resolution Framework (RF) 2.0, on the lines of measures announced last year, to help individual borrowers and MSMEs hit financially by the Covid-19 pandemic.

RELIEF MEASURES AND IMPACT ON BORROWERS

Moratorium and restructuring is being extended to borrowers who had already opted for the same last year, provided they were not given the full 24 months moratorium in the restructuring process, provided they were not a non-performing loan (had not missed more than 3 EMI payment).

Borrowers who had opted for moratorium between March 2020 and August 2020 but were still reeling from covid's economic impact, and wanted further moratorium upto 24 months in total, could apply for an additional period (24- X) and then apply for restructuring to pay up the all the unpaid EMIs and lenders had to find a way to recover the same over the balance life of the loan or any such scheme.

EMERGENCY CREDIT LINE GUARANTEE SCHEME (ECLGS), (ECLGS 1.0), (ECLGS 2.0) & (ECLGS 3.0)

The Union Cabinet headed by Prime Minister Narendra Modi had declared Rs. 3 lakh crore to MSME and interested MUDRA borrowers by way of Emergency Credit Line Guarantee Scheme (ECLGS). The 100% guarantee scheme at a concessional rate of maximum 9.25% for MSMEs under the Rs. 3 lakh crore scheme was the second-biggest component of the Rs. 20 lakh-crore package announced. Under the Scheme, 100% guarantee coverage to be provided by National Credit Guarantee Trustee Company Limited (NCGTC) for additional funding of up to Rs 3 lakh crore to eligible MSMEs in the form of a Guaranteed Emergency Credit Line (GECL) facility. In recognition of the continuing adverse impact of COVID-19 pandemic on certain service sectors, the Government has now extended the scope of Emergency Credit Line Guarantee Scheme (ECLGS) through introduction of ECLGS 3.0 to cover business enterprises in Hospitality, Travel & Tourism, Leisure & Sporting sectors which had, as on 29.02.2020, total credit outstanding not exceeding Rs. 500 crore and overdues, if any, were for 60 days or less, on that date i.e. 29th Feb 2020.

ECLGS 3.0 would involve extension of credit of upto 40% of total credit outstanding across all lending institutions as on 29.02.2020. The tenor of loans granted under ECLGS 3.0 shall be 6 years including moratorium period of 2 years.

Further, the validity of ECLGS i.e. ECLGS 1.0, ECLGS 2.0 & ECLGS 3.0 have been extended upto 30.06.2021 or till guarantees for an amount of Rs. 3 lakh crore are issued. Last date of disbursement under the scheme has been extended to 30.09.2021.

MAHARERA ANNOUNCEMENT AND EXTENSION:

After the central government announced relief for the developer community, directing state real estate authorities to automatically extend project completion deadlines by nine months in the wake of the COVID-19 pandemic, the Maharashtra government has extended due dates of all building permits by three quarters. On May 13, 2020, finance minister Nirmala Sitharaman allowed developers to cite the 'force majeure' clause, as a legal justification for delays in project deliveries. Consequently, the government directed state real estate regulatory authorities, to consider the entire duration of the COVID-19 pandemic in India as force majeure, as far as housing projects are concerned. The MahaRERA extended the validity of projects registered with it by three months, in case the completion date, the revised completion date, or the extended completion date expires on or after March 15, 2020. The Authority also extended till June 30, all statutory compliances that were due in March, April and May 2020. Due to the lockdown, the supply chain for obtaining construction material has been disrupted and the workforce may have migrated back to their home states. Due to these circumstances, real estate projects across Maharashtra will take some time to restart work.

GUJRERA RELIEF TO REAL ESTATE PROJECT

The GujRERA has granted the relief to real estate project by waving the fees for Extension and Alteration of the real estate project. The order issued by GujRERA has divided the real estate projects in two categories i.e. project which will complete on or before the 31.03.2021 and project which are going to be complete on or after 31.03.2021. Only projects with end date before 31.03.2021 have been granted relief of fee waiver for extension in Gujarat. However, there is no such bifurcation done by the other states/UT Real Estate Regulatory Authority. A blanket exemption means all projects with end date after 15.03.2020 have been given extension without application or fees. GujRERA has allowed the promoter to make self-analysis of the impact of COVID-19 on the project and thereby apply for extension or alteration of the project if required and for the time required up to a period of 1 year. Steps taken by the various Real Estate Regulatory Authority is a welcome move and a relief for the real estate industry which was already reeling under pressure due to the economic slowdown.

The Members of
BIGBLOC CONSTRUCTION LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Bigbloc Construction Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of matter described in the 'Basis of Qualified Opinion' Paragraph below, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of Qualified Opinion

The company has not provided for Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans is in deviation with Ind AS - 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post-Employment Benefits and other long term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS - 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	Recoverability / Refund of Indirect tax receivables As at March 31, 2021, Current assets in respect of withholding tax and others includes GST Credit and Disputed stamp duty payment totaling to Rs. 494.59 Lakhs. Refer Note 13 to the Standalone Financial Statements.	Principal Audit Procedures: We have involved our internal experts to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.
2	Transactions with related parties Starbigbloc Building Material Pvt. Ltd. (wholly owned subsidiary): <ul style="list-style-type: none"> Purchase of Goods of Rs. 286.61 Lakhs; Sale of Goods of Rs. 8.88 Lakhs; Loans given outstanding of Rs. 1330.33 Lakhs; and Interest received on loans given of Rs. 205.28 Lakhs. We considered the related party transactions to be significant to the audit as the risk is that if these transactions are not conducted at arm's length, and/or the accounting treatment of the rights and obligations of these transactions are not correct, it could influence the results of the company.	Principal Audit Procedures: Our audit procedures included, among others, the following: <ul style="list-style-type: none"> We obtained an understanding of the process for identifying related party transactions, performed a walkthrough and evaluated the design of controls related to the fraud risk identified; We verified that the transactions are approved in accordance with internal procedures including involvement of key personnel at the appropriate level; We evaluated the business rationale of the transactions; We evaluated the rights and obligations per the terms and conditions of the agreements and assessed whether the transactions were recorded appropriately; and We determined whether the directors have disclosed relationships and transactions in accordance with Ind AS - 24 (refer to disclosure note 39).

3	<p>Valuation, Accuracy, Completeness and disclosures pertaining to Inventories with reference to Ind AS 2</p> <p>Inventory comprises of raw material including packing material, work in progress, finished goods and stores and spares.</p> <p>We have identified the inventories as key audit matter because it is material to the standalone financial statements.</p>	<p>Principal Audit Procedures:</p> <p>We have performed the following alternate audit procedures to audit the existence and condition of inventories as per the guidance provided in SA 501 "Audit Evidence – Specific Considerations for Selected Items", as at the year-end, since we were not able to physically observe the physical stock verification:</p> <ol style="list-style-type: none"> Obtaining an understanding of the supply chain and testing selected key controls over recognition and measurement of inventory. Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Annexure "B" to the Independent Auditor's Report of Even date on the
Financial Statements of Bigbloc Construction Limited for year ended on 31st March, 2021****Report on the Internal Financial Controls under Clause
(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****Opinion**

We have audited the internal financial controls over financial reporting of Bigbloc Construction Limited ("the Company") as of 31 March 2021 in conjunction with our audit of financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Commensurate to the size and nature of the business, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes Forming Part of Financial Statements for the year ended 31st March, 2021

1 CORPORATE INFORMATION

Bigbloc Construction Limited ('the company') is a public limited company domiciled in India and incorporated under the provisions of the Company Law. Its shares are listed on BSE and NSE. The company is having its head quarters in Surat and plants at Umargaon. The company is primarily engaged in manufacture, sale and marketing of AAC Blocks.

2 BASIS OF PREPARATION

The financial statements (on standalone basis) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016.

Functional and presentation of currency

The financial statements are prepared in Indian Rupees which is also the Company's functional currency.

Basis of measurement

The financial statements have been prepared on a historical cost basis except for Certain Financial Assets measured at fair value (refer accounting policy regarding financial instruments)

Use of significant accounting estimates, judgements and assumptions

The preparation of financial statements requires the management to make estimates and assumptions considered in reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between actual results and the estimates are recognised in the periods in which these gets materialized.

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 Presentation and disclosure of financial statements

All assets and liabilities have been classified as current and non-current as per Company's normal operating cycle and other criteria set out in the division II of Schedule III of the Companies Act, 2013, for a Company whose financial statements are made in compliance with the Companies (India Accounting Standards) Rules, 2015. Deferred tax liabilities are classified as non-current liabilities.

Based on the nature of business and their realization in cash and cash equivalents, 12 months has been considered by the Company for the purpose of current/non-current classification of assets and liabilities.

3.2 Property, plant and equipment

- i) Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transition i.e. 1st April 2016 as the deemed cost of the property, plant & equipment under Ind AS.
- ii) Subsequent to transition date, property, plant and equipment are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. - iii) Capital work-in-progress comprises of cost incurred on property, plant and equipment not yet ready for their intended use at the Balance Sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

3.3 Depreciation on property, plant and equipment

- a) Depreciation on property, plant and equipment (other than freehold land and capital work in progress) is provided on SLM over the useful life of the relevant assets net of residual value whose life is in consonance with the life mentioned in Schedule II of the Companies Act, 2013.
- b) In the case of assets purchased, sold or discarded during the year, depreciation on such assets is calculated on pro-rata basis from the date of such addition or as the case may be, upto the date on which such asset has been sold or discarded.
- c) Depreciation on addition has been provided from the date of putting the assets into use.

3.4 Investment properties

Investment properties are measured at cost, including transaction costs.

3.5 Intangible assets

- i) Under the previous GAAP, intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less any accumulated amortization. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used carrying value as at the date of transition i.e. 1st April 2016 as the deemed cost of intangible assets under Ind AS.

- ii) Subsequent to transition date, Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less any accumulated amortization. Intangible assets are recognised only if it is probable that the future economic benefits attributable to the asset will flow to the enterprise and the cost of asset can be measured reliably.

3.6 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- i) Raw Materials, Packing Materials & Stores & Spares: Costs include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs is determined based on weighted average basis.
- ii) Finished Goods and Work in Progress: Costs include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs is determined based on weighted average basis.

3.7 Financial instruments

Initial Recognition

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through OCI) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

Subsequent Measurement

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

a) Non-derivative financial assets

(i) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss. Trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets are measured at Amortized Cost.

(ii) Debt instruments at FVTOCI

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

- (a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and
- (b) the asset's contractual cash flow represent SPPI Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain loss in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iii) Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

(iv) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.

In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition

inconsistency. The Company has not designated any financial asset as FVTPL.

Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

b) Non-derivative financial liabilities

(i) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

3.8 Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- A. Sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and are recorded at the fair value of the consideration received or receivable, net of returns and allowances, trade and volume discounts.
- B. Interest income in respect to all the Debt Instruments and deposits which are measured at cost or at fair value through other comprehensive income, is recorded using effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest Income is included in Other Income in the statement of profit and loss.
- C. Export Benefits are recognized in the year of export
- D. Job Charges are recognised on delivery of the goods to the customers after completing the job work on the same.

3.9 Foreign currency transactions

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. As at the Balance Sheet date, foreign currency monetary assets and liabilities are translated at closing exchange rate. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

3.10 Employee Benefits

- (a) All the Short Term Employee Benefits are accounted for on the basis of services rendered by the employees of the company.
- (b) Company contributes towards Provident Fund which is Defined Contribution schemes. Liability in respect thereof is determined on basis of contribution required to be made as per statutes/ rules.
- (c) No provision has been made for Long Term Employee Benefits such as Gratuity and Leave Encashment as the same are recognized as and when they become due for payment.

3.11 Borrowing Cost

Borrowing Costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of Cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged the Statement of Profit & Loss.

3.12 Taxes on income

Tax expenses for the year comprises of current tax, deferred tax charge or credit and adjustments of taxes for earlier years. In respect of amounts adjusted outside profit or loss (i.e. in other comprehensive income or equity), the corresponding tax effect, if any, is also adjusted outside profit or loss.

Provision for current tax is made as per the provisions of Income Tax Act, 1961.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, and deferred tax assets are recognised for all deductible temporary differences, carryforward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax

liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

3.13 Goods & Services Tax (GST)

GST credit received on purchases is reduced from respective item of purchases. GST on Sales is credited to Payable account and differential amount, if any, is paid. Thus, the company has followed exclusive method of accounting whereby purchases, sales and stock is shown exclusive of GST and accounted for in separate Account.

3.14 Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources.

41 Financial Risk Management

Bigbloc Construction Limited (BCL) continues to deploy a well articulated risk management framework. This is based upon a three-tiered approach encompassing (i) enterprise risks, (ii) process risks, and (iii) compliance risks.

- (i) Enterprise risk : The company continue to evaluate the risk and also ensures that the mitigation processes are in place.
- (ii) Process risk management involves assurances by the Company's internal audit department regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes.
- (iii) Compliance risk management comprises a detailed mechanism of assurances with respect to adherence of all laws and regulations, with a comprehensive reporting process that cascades upwards from the accountable business line executives to BCL's Audit Committee and then on to the Board of Directors.

The outcomes of business review meetings conducted by management and internal audit regarding processes and their compliance, as well as observations of the Audit Committee and the Board of Directors are continuously incorporated to capture new risks and update the existing ones. All three dimensions of BCL's Risk Management framework are reviewed annually for their relevance and modifications, as required. The businesses and internal audit make regular presentations to the Audit Committee for detailed review. The risk management process, including its tracking and adherence, is substantially enabled for greater consistency and better reporting capabilities.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of

BIGBLOC CONSTRUCTION LIMITED**Report on the Consolidated Financial Statements****Qualified Opinion**

We have audited the accompanying Consolidated financial statements of Bigbloc Construction Limited ('the Holding Company') and its subsidiary company (collectively referred to as "the Company" or "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement, the consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of matter described in the 'Basis of Qualified Opinion' Paragraph above, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March 2021 and their consolidated profit, consolidated changes in equity and their consolidated cash flows for the year then ended.

Basis of Qualified Opinion

The Holding company has not provided for Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post-Employment Benefits and other long term employee benefits under Defined Benefit Plans is in deviation with Ind AS - 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post-Employment Benefits and other long term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS - 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	Recoverability / Refund of Indirect tax receivables As at March 31, 2021, Current assets in respect of withholding tax and others includes GST Credit and Disputed stamp duty payment totaling to Rs. 624.77 Lakhs. Refer Note 13 to the Standalone Financial Statements.	Principal Audit Procedures: We have involved our internal experts to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.
2	Valuation, Accuracy, Completeness and disclosures pertaining to Inventories with reference to Ind AS 2 Inventory comprises of raw material including packing material, work in progress, finished goods and stores and spares. We have identified the inventories as key audit matter because it is material to the standalone financial statements.	Principal Audit Procedures: We have performed the following alternate audit procedures to audit the existence and condition of inventories as per the guidance provided in SA 501 "Audit Evidence – Specific Considerations for Selected Items", as at the year-end, since we were not able to physically observe the physical stock verification: <ol style="list-style-type: none"> Obtaining an understanding of the supply chain and testing selected key controls over recognition and measurement of inventory. We have evaluated the design of Internal Controls relating to recording and valuation of Inventory. Testing on a sample basis the accuracy of cost for inventory by verifying supporting documents and testing the net realizable value. Ensuring proper cut-off. Verified the stock movement analysis for the year in respect of key items of raw materials and finished goods at the factories to determine the quantities of inventory as at the balance sheet date. Performed alternate procedures to audit the existence and condition of inventories, which includes inspection of supporting documentation relating to purchases, sales and production.

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Companying accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates entities is responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's and Board of Directors' of the Holding Company use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements

of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that: -

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act except for Ind AS - 19 on Employee Benefits in respect of provision for Long Term Employee Benefit & Defined Benefit plans.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2021 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March 2021 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- g) In our opinion, the managerial remuneration for the year ended March 31, 2021 has been paid/provided by the Holding Company and its subsidiaries incorporated in India to their directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements have disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 31 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure "A" to the Independent Auditor's Report of Even date on the Consolidated Financial Statements of Bigbloc Construction Limited for year ended on 31st March, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of Bigbloc Construction Limited ("the Company" or "the Group") and its subsidiary company which is the company incorporated in India, as of 31st March, 2021.

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiaries have maintained in all material respects, adequate internal financial controls over financial reporting with reference to these Consolidated Financial Statements and such internal financial controls over financial reporting with reference to these Consolidated Financial Statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Commensurate to the size and nature of the business, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

The company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes Forming Part of Financial Statements for the year ended 31st March, 2021

1 CORPORATE INFORMATION

Bigbloc Construction Limited ('the company') is a public limited company domiciled in India and incorporated under the provisions of the Company Law. Its shares are listed on BSE and NSE. The company is having its head quarters in Surat and plants at Umargaon. The company is primarily engaged in manufacture, sale and marketing of AAC Blocks.

2 BASIS OF PREPARATION

The financial statements (on standalone basis) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016.

Functional and presentation of currency

The financial statements are prepared in Indian Rupees which is also the Company's functional currency.

Basis of measurement

The financial statements have been prepared on a historical cost basis except for Certain Financial Assets measured at fair value (refer accounting policy regarding financial instruments)

Use of significant accounting estimates, judgements and assumptions

The preparation of financial statements requires the management to make estimates and assumptions considered in reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between actual results and the estimates are recognised in the periods in which these gets materialized.

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 Principles of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31st March 2019. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

3.2 Consolidation procedure:

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flow relating to transactions between members of the Group are eliminated in full on consolidation.

The Group's investment in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognized at cost. The carrying amount of the investment is adjusted to recognize changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

3.3 Goodwill / Capital Reserve on consolidation:

The excess of cost to the Parent company of its investment in Subsidiary Companies and Associate Companies over the Parent Company's portion of equity, at the date on which investment in Subsidiaries and Associate Companies is made, is recognized as Goodwill in the Consolidated Financial Statements.

When the cost to the Parent Company is less than the Parent Company's portion of equity, the difference is recognized in the financial statements as Capital Reserve. After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

3.4 Other significant accounting policies

These are set out under "Significant Accounting Policies" as given in separate financial statements of Parent and subsidiary.

38 Segment Reporting

In line with Ind AS - 108 on 'Operating Segments', taking into account the organizational structure, product type as well as the differing risks and returns criterion, the Company is engaged in only one reportable segment viz. "AAC Blocks Division".

39 Financial Risk Management

Bigbloc Construction Limited (BCL) continues to deploy a well articulated risk management framework. This is based upon a three-tiered approach encompassing (i) enterprise risks, (ii) process risks, and (iii) compliance risks.

- Enterprise risk : The company continue to evaluate the risk and also ensures that the mitigation processes are in place.
- Process risk management involves assurances by the Company's internal audit department regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes.
- Compliance risk management comprises a detailed mechanism of assurances with respect to adherence of all laws and regulations, with a comprehensive reporting process that cascades upwards from the accountable business line executives to BCL's Audit Committee and then on to the Board of Directors.

The outcomes of business review meetings conducted by management and internal audit regarding processes and their compliance, as well as observations of the Audit Committee and the Board of Directors are continuously incorporated to capture new risks and update the existing ones. All three dimensions of BCL's Risk Management framework are reviewed annually for their relevance and modifications, as required. The businesses and internal audit make regular presentations to the Audit Committee for detailed review. The risk management process, including its tracking and adherence, is substantially enabled for greater consistency and better reporting capabilities.
